

JESUS DAVID GIL DURAN

Visual & Graphic Designer | Web Design & Visual Systems
Barcelona, Spain

Visual Designer focused on brand identities, scalable visual systems and conversion-driven digital assets. Experienced in campaigns, landing pages, email marketing and consistent digital brand communication.

Work experience

Senior Graphic Designer
ZIGURAT Institute of Technology | 2024 – Present

- Designed high-performing campaign assets and landing pages in HubSpot, ensuring brand consistency across email, web, and social.
- Managed and optimized email campaigns for 80k+ contacts across acquisition, nurturing, and alumni funnels.
- Built scalable visual systems and modular templates to streamline production and maintain consistency.
- Translated business goals into conversion-focused visual communication using data-informed decisions.

Operations Associate (extended responsibilities)
Amazon | 2019–2023

- Acted as Process Guide and Peer Trainer, facilitating workflows across teams and supporting onboarding and coordination in high-volume environments.
- Worked with performance metrics and data-driven processes, developing a systems-thinking approach later applied to digital design.

Graphic Designer (Freelance)
Mashup Agency Interactive | 2017 – 2018

- Produced social-first multimedia content aligned with digital strategies.
- Developed digital assets for multiple brands within fast-paced agency workflows.

Graphic Designer
Vértice Publicidad | 2015 – 2018

- Designed digital and print campaign assets, including motion graphics and outdoor advertising materials.
- Contributed to branding and rebranding projects, ensuring visual consistency across communication channels.

Junior Graphic Designer
Ministerio de Ciencia, Tecnología e Innovación | 2011 – 2014

- Produced institutional communication materials for campaigns and public events under strict brand guidelines.
- Collaborated with internal teams to deliver print and digital assets.
